# Sympathy may help a wounded heart but it won't heal a wounded limb.

That fact is so obvious that you wonder why any one can offer "sympathy" as the chief feature of treatment for the delicate diseases of women. Yet women are invited to "write to a woman who can sympathize with woman," and the theme of their correspondence is to be the delicate, difficult and dangerous diseases which undermine a woman's health and strength. It is true that such offers are combined with an offer of "medical advice." But medical advice can only be given by a competent physician, and no mention is made in such offers of a physician's or doctor's advice. It is not offered because it cannot be given. The offer is not being made by

Chronic constipation for seven years placed me in this terrible condition; during that time I did everything I heard of but never found any relief; such was my case until I began using CASCARETS. Vice President Will Be Buried at Paterson Saturday.

REMAINS WILL NOT LIE IN STATE.

Public May View the Face of the Dead Man at His Home-President and Washington Officials Will Attend Funeral-Four Companies of Regulars as Escort.

NEW YORK, Nov. 23 .- The funeral of the late Garret A. Hobart, vice president of the United States will take place on Saturday. The following official statement was given out at the Hobart residence by Private Secretary Evans:

"The funeral service over the late vice president will be held at the Church of the Redeemer, Paterson, on Saturday, Nov. 25, at 2:30 p. m. Inasmuch as the seating accommodation of the church is entirely inadequate it will be necessary that seats be reserved for the various national, state and local officials and representatives of the organizations with which Mr. Hobart was connected and intimate personal friends of the family. It is therefore impossible to provide for the general public until various officials and representatives have been accommodated. Previous to the exercises Saturday afternoon a brief service will be held at the Hobart mansion for the relatives and the president and immediate relatives."

The body will not lie in state in the city hall, as was desired by the city authorities, but on Friday afternoon the casket will be open in the library of his home and for three hours the public may view the face of the late vice president. The burial will be made at the convenience of the family at Cedar Lawn cemetery.

Four companies of regulars from Governor's Island will take part in the funeral services and will probably act as an escort from the residence to the church. The military will also act as an escort to President McKinley and his party.

Mrs. Hobart is bearing up well under her great trouble and today was able to see a few of her most intimate friends, including Attorney General and Mrs. Griggs and Rev. Dr. David Magie, who In order to prove the great merit of Ely's Cream Balm, the most effective cure will deliver the funeral oration.
